

everyone's a winner!

an exciting fun packed day or evening event

A Night at the Races is a fun packed event for groups wishing to take part in an organised activity and is ideal for some fun in the afternoon or as an after dinner activity.

Using a large screen and projector, a selection of Horse Races will be shown throughout the event for the teams to place bets on.

Our professional compere will explain the proceedings and our tote staff will also be on hand to answer questions.

The racing format

Guests should ideally be put into teams prior to the event and seated at tables of 10. Each team will receive a race pack containing race programs, betting sheets and £60.00 of fun money per person.

Participants are encouraged to bet on each race by backing a horse numbered between 1 and 8. The minimum bet will be £5.00 and players can bet as much as they like on each race, however when their monies gone, it's gone!

During each race our compere will encourage the crowd to shout and cheer for their horse - after the first race they won't need much encouragement. The team who have accumulated the most money at the end of the event will be the winners.

The event will end with a prize giving ceremony for the winning team, and we ask that the client provides a prize.
