

# Can you feel the beat?

## DRUM Workshop

Energising, uplifting  
and accessible to all

Making music together creates a shared vision and connection that gives confidence to all and opens up a positive attitude to what can be achieved as a group.

Our drumming workshops will soon see your team working together in harmony to achieve a common goal. Nothing brings people together and inspires an uplifting experience like music and the beat of a drum.

## Working together in Harmony

During the session the teams will get to perform with Drums and Boom whackers and then will even get the chance to learn the Haka for some real team bonding !

Our music workshops are great fun and will re-energise your conference or breakout session.
